Mr. Draper

Sir, I met with Dr. Michael of Newton yesterday and gave him as full {unreadable} of the Moore family and the battle of Ramsours Mill as I was in possession of. I will in a few days give you all that I know about the men engaged in the battle of Kings Mountain and the incidents relative to it. After giving you my warmest thanks for the very interesting book you sent me.

I remain your true friend, J. H. Roberts, N. C.

Any thing else of interest I get, I will forward to you.
